Toxer and the eight Elders who backed him up in such a brilliant fashion belongs the honor of winning the fastest baseball game in Sait Lake this year. McCloskey's bunch were blanked. Not only did they fail to score, but not a man got as far as third hase. Except in a few rare instances the infants failed to reach the first stopping place in safety. Exactly thirty-three bat-

place in safety. Exactly thirty-three batters faced Tozer during the game and twenty-seven of these perished before caching first base. Four were still at the cuarter-pole when the side was retired, one met his fate on second and another was tagged out while making a desperate attempt to steal third.

Tozer pitched a marvellous game, perhaps the best that has been thrown by my pitcher in the Pacific National league this year. He had beautiful control and allowed but four scattered hits during the entire nine innings. But two Boise batters were given transpertation and only one was struck by a pitched hall. The Sait Lake twirler Satten some also, living out a three-bagger in the second infing, the longest hit of the game.

Thompson Pitched Some, Too.

Thompson Pitched Some, Too.

Thompson, the ex-National leaguer, did the pitching honors for Boise, and did well. He allowed but seven hits, but un-tortunately for him they were bunched and meant tallies. He fanned six Elders end walked but one. Under ordinary cir-cumstances such pitching would have wen-the game.

the game.

Sait Lake scored in the second inning and again in the eighth. "Dad" Clark pened up in the second with a pretty sinble to the left garden. Hausen followed with a long two-bagger and made third on mext two men went out and Tozer

scoring Hausen. Muller knocked a high one to Buck Weaver out in middle and the side retired with Tozer still on third.

Two Men Scamper Home. n the eighth Muller got to first on

titts error. Hannivan went out, pitcher to first, but Muller made second on the riay. Weed singled and "Dutch" jogged down to third. Gimin hit to the right reld for two sacks and both Weed and Muller scampered home. Clark died on a long one to "Lefty" Houtz and the inning ciosed. Jones of Butte umpired and caused to the solution of the fant to weep large tears of sorrow at several of his decisions. Strikes and balls looked allike to Jones at intervals, but his errors in judgment were very evenly distributed and no damage was done.

Bruyette's sensational stop of a high ne drive in the fifth inning was one of he features of the game. Following is the score. BOISE.

TANDEM RACED

Professional Handicap for Hymn Takes Running Race One Mile Comes Close to the Record.

Stronger.

Old-Time Bicycle Enthusiasm Exhibited at the Saucer Track by Big Crowd of Visitors.

COMETHING of the old-time bicycle enthusiasm was manifested at the saucer track last night, when a very good programme of races and a very good programme of music by the band combined to keep the crowd of about 2000 persons in excellent spirits. The Redman brothers and Heagren and Agraz made a pretty contest of the five-mile lap tandem race. The latter team took the lead at the start and maintained it for the first the start and maintained it for the first mile, at the end of which the Redmans shot shead for a few laps and the remainder of the race was nearly evenly divided as to laps won, with the Redmans fluishing the stronger.

One of the best races of the meet was the one-mile handleap, professional, in which the time of 1:551.5-dangerously close to the record—was made. George Collett made a good showing in this event, finishing fourth in the final. James E. Bowler is another new man who is coming up, having taken third money in the two-mile lap race. This race was made quite spectacular by the starting of fourteen men in a bunch John M. Chapman's one-mile motor exhibition was thrilling to a degree. Chapman himself rode the machine for the first time, his rider, Eddie Smith, having declined at the last moment to risk his neek on the benzine racer. Chapman fell down slightly on the last lap in the management of his machine, but made the fairly good time of 1:23.

## TWO FAVORITES ARE BEATEN

Redman Brothers Prove Crab Apple Wins the Harness Event.

> From Commodore in Good Style.

Sensational Event of the Track Was the Third Heat in the Trotting Match at Calder's Park.

MALL but enthusiastic was the crowd of horsemen which gathered at Calder's park yesterday afternoon to witness one of the most interesting. and in every way surprising, horse-racing matinees that has revently been seen by the local public. The sterner set were slightly in the preponderance, but there were no more interested spectators than the women. In the grand stand were many prominent society women, neatly at tired in silk waists and becoming summe onnets. Prequently did they forget their customary dignity in so much that the were seen to jump up in their scats, clap their hands and even give vent to sharp or sudden shricks as the horses came dow the strength going it neck and neck. It front and at the right of the grand stand swarmed the men, now wearing rather du bious expressions, which were meen to broaden into smiles as their favorite cam-galloping down the line a winner.

Races a Surprise.

Races a Surprise.

Yesterday's races were a surprise in that the two favorites lost out. In the match harness race Crab Apple had little trouble in winning out over Angle Duryca, his Decoration day vanquisher, while in the five-eighths mile running race Hymn won frem Commodore.

Angle Duryca won the first heat by steady and consistent work. The horses got off in fine shape and went it mp and tuck for the first quarter, when Crab Apple auddenly went up in the air, and before he came back to earth Angle had gained an insurpassable lead.

The second heat was surprisingly easy for Crab Apple, who literally ran away from Angle, and clipped off one of the fastest miles ever run at the track. The judges gave out the time as 2:194, but it seemed several seconds below that mark.

Sensational Finish.

Sensational Finish.

The third heat was the most exciting o track. The two horses got off nicely, and as they straightened into the back stretch both were going in fine shape until Crab Apple suddenly broke. Angle skimmed along and looked like an easy winner until on the last curve Crab Apple spurted forth with a terrible burst of speed and closed up the gap in an instant. Down the stretch they came, straining every fiber, nerve and muscle for supremacy, but the mare was evidently done for she failed to respond to a couple of sharp cute, and lost out to Crab Apple by half a length. The Fourth heat was easy for Crab Apple, who ran circles around the absolutely exhaustran circles around the absolutely exhaust-

ran circles around the absolutely exhausted mare.

The running event between Commodore and Hymn for five-eights of a inle was anything but satisfactory and resuited in an unpleasant squabble. Nattress, Commodore's jocked, seems responsible for the trouble. On the first start the horses got off even, but Nattress, for some unknown reason, pulled up. He was evidently jockedling for an easy lead, but was warned by the judges not to try it again. On the next trial the horses again got off noise and nose, but Nattress pulled. The impatient judges teld him to go on, but the lead was too great, and Hymn won out easily. The judges decided that the race was on the square and declared Hymn the winner, despite many protests. The time, 1961s, is one-fourth of a second better than that made on Decoration day by Commodore.

dore.

After the meet Manager C. Y. Russell declared that Nattress would not be permitted to do any more riding in view of the constant unpleasantness growing out of his work.
